Mr Law Esq. some ^{time} since Capt. Hensington proposed to transfer the Bangalore establishments to the P. W. D. & also ~~with~~ ⁱⁿ his classification of the buildings, but advocates the retention of Hospitals in fact, the services being needed by travellers, both official & non-official, passing on the more important ^{high} roads, on which troops also move occasionally. Hospitals are employed to attend to the wants of travellers, to supply them with first aid blocks & to render assistance in the work of revenue collections.

Memorandum states that the classification of Bungalows and the reduction of Bungalow establishments may be sanctioned as proposed by Captain Kensington, but that they should remain under the control of the Dry Com^r. It is not certain that damages necessitating extensive repairs were caused to these buildings by want of control on the part of Revenue Department. Miscellaneous petty repairs having been now transferred to the Revenue officers, the argument based upon dual control, and responsibility no longer exists.

The maintenance of Travellers Bungalows and the management of the Bungalow servants should be under the Revenue Department, which now arranges for the supplies and for bullocks & the other wants of travellers. If the latter duty or work is undertaken by the D. P. W. the transfer of Bungalow establishments to that Department may be made as recommended by Lupt. Henington. Instead of an assistant boy for 1st class Bungalows, D.C. proposes a waterman or a Peon; and in 3rd class Bungalows instead of 6 Toty & Sweeper, a Peon. In the month at all events no Peon or Sweeper can be obtained for Rs 4 and Rs 7 as now paid to the Dispensary servants will have to be given. Occupancy over 4 hrs of 2nd or 3rd class must be charged Rs 0-8-0 at least. Halahatti Bungalow may be made over to D.C. on a fixed monthly rental of Rs 15 per mensem.

Deputy Commissioner recommends that the classification of Chittabroog, Daringer and Rampur may not be disturbed; that III class Bungalows at Talah, and Mulebennur may be raised to II class; generally appraises of the scale of establishment, with the exception of Hotwal and Dundee at Chittabroog Bungalows, whose services are needed for the supply of bullockage; and brings to notice the omission in the list of III Class Bungalows of Hosdurg and Mulebennur.

DC recommends that Mulebennur is now a III class one & may be placed to II class Bungalow, while in the printed list and that of Capt. Kensington it is shown under existing class as the II class one. Hence it is entered as III class under existing classification.

The present and proposed classification and Establishments of the Travellers' Bungalows, as gathered from the replies of the Dyfourn^r of Districts to para 14 of the Chief Comm^r's Pro: N^o $\frac{579}{R 64}$ of the 19th May 1879 have been tabulated in the accompanying statement A. A general abstract of it B, together with two separate statements ~~the one~~ C showing the number & classification and the other D the Establishment present and proposed are also submitted

2. It will be seen that the Bangalore Dyfourn^r who recommends the abolition of Kotwals in all the Bungalows in his District suggests their retention at Bangalore & Mungahoke. As the Kotwal in the former has to serve notices of demand for Revenue arrears & as in the latter he has to look after the Bungalow, there being only a Sweeper paid from the District Funds. The duty of the Kotwal in Bangalore is rather very peculiar. If need be he might

might ~~be~~ ^{be} ~~in connection~~ ^{in connection} with the Taluk Office and then he will have to form part of the Taluk Establishment - not of that of the ^{1st class} Thupsaucobra Bungalows which is in the Cantonment near the Arab Lines

The Establishments fixed for the 1st, IInd & IIIrd class Bungalows in the year 1885 are as follows:

For First Class Bungalows

1 Maty or fork.	7
1 Pen	5
1 Loty	4
1 Waterman	4
1 Kotwal	10
2 Dunderes @ 4 Rs	8
Total	38

For Second Class Bungalows.

1 Maty or fork.	7
1 Loty	4
1 Waterman	4
1 Kotwal	8
1 Dunder	4
Total	27

For Third Class Bungalows:

1 Loty	4
1 Waterman	4
1 Kotwal	7
1 Dunder	4
Total	19

4. The total Saving as now proposed amounts as Shown

in the Statement B to Rs 1032
per annum or Rs 12,384 per
annum. But as will be
seen from Statement D, the
establisments proposed are
not uniform - The original
Scale itself would now
seem to require revision;
and in the altered
State of things in the
Provinces, several of the
proposed First Class Bungalows
might admit of reduction
to the Second class. Several
of the Second class again
to the third class. On the
average, two First class
Bungalows, four or five Second
Class ones and ^{the remaining} ~~about twenty~~
~~Bungalows~~ of the Third class
in addition to the existing
Munsifs, Khans or Chattrans
might suffice -

5. The 3rd Class Bungalows
require only to be watched
and swept, in addition to
its visitors being supplied
with water - and the accounts
of their fees being kept. For
this purpose, one sweeper and
waterman on Rs 4, and
a sweeper on the same pay
for all third class Bungalows
might suffice. In the Second
and First class Bungalows
where the ~~provision~~
besides the above ~~immense~~
details

duties, the responsibility of the custody of their valuable furniture is ^{and cooking is necessary} great, the following scale may be sanctioned.

First class Bungalows.

1 Maty or Cook . . .	7
1 Dundee	4
1 Sweeper & waterman	4
1 Peon	5
Total	20.

Second class Bungalows.

1 Maty or Cook . . .	7
1 Dundee	4
1 Sweeper & waterman	4
Total	15

6 With the exception of the Sweepers ^{charges} for the 3rd class Travellers' Bungalows, which are wholly provided for in the District Fund

Budgets of the General Districts - the Kotwal & other Establishments connected with the 1st, IInd & IIIrd class Bungalows are all ~~expended~~ ^{paid for} as a rule from the Imperial Funds. But in the Kader district, the pay of a few Kotwals & Dundeestars ^{being passed} ~~are~~ is ~~entered~~ in the District Fund Budget within the past ^{few} ~~two~~ years.

To secure uniformity and ^{to harmonize} relieve the Imperial Funds from the

the burden it would
be well to transfer
the maintenance &ea
of the 2nd ⁴³² Class Travellers'
Bungalows ¹ to the Local
Funds -

7. The Chetaldroog Dy
Commr alludes to the
Munsafarkhanas in the
district - He remarks that
the pay of the Sweepers
attached to them, Varying
from 2 to 4 Rupees is ~~very~~
too little - and requires
consideration - He considers
that it may be raised
to Rs 4 per mensem - all
being paid equally - The
other Dy Commrs have
not touched the Subject.

Submitted for orders.

Note. From the printed list herewith submitted for perusal, it would be observed that the number of Bungalows in the Bangalore and Kolar districts corresponds with that entered in this list, and that of those in the other 6 districts does not tally with that entered in the printed list. It is found difficult to extract from the books in D. & G.'s Office, the exact number of Bungalows and the localities in which they are situated. Hence the submission of this abstract list, prepared as provided for in the current year's District Fund Budget.
